Subject:	Key words:	Developed by	
External wiring for low voltage luminaire	<ul style="list-style-type: none"> - Sub clause 5.2.2 - Standard - External wiring 	ETF5-OSM/LUM	
Question			
<p>Do the requirements of IEC 60598-1 sub clause 5.2.2 apply to extra low voltage and current carrying external wiring?</p>			
Decision			
<p>Yes, the standard is clear and sub clause 5.2.2 would apply to all external wiring.</p>			
Explanatory notes			
<p>The matter is covered by IEC 60598-1/2014.</p>
