

COLLECTION OF CIG-OSM/IN DECISIONS

Standard: EN 61058-1:1992	Sub clause: 16 + 17	Sheet no. OSM/IN 119 Page 1(1)
Subject: Flat quick-connect terminations	Key words: Flat quick-connect	Meeting no. 2 Item 5.3.3
Question:		
Decision: Female connectors shall preferably be made of the same material as the tabs, unless the tab material is selected from a particular material for constructional reasons(others than temperature) or if the commercial availability dictates another solution		
Explanatory notes: 1) No referenced document. See OSM/IN (Norway) July 2, 1992 (VDE item).
